

COVID-19 Protocol

All Spectrum Singers members, including the pianist and AD, must be fully vaccinated and boosted to attend any Spectrum Singers event.

Fully vaccinated and boosted: As defined by the CDC, 2-weeks from the last vaccine in the series as well as a booster vaccination.

As of June 17th, 2021, [CDC guidelines](#) and the [State of Washington Secretary of Health](#) (June 29th, 2021) state that singers are not required to mask or socially distance either indoors or outdoors if fully vaccinated. Individual organizations are allowed to set their guidelines, vaccine status tracking, etc.

To ensure the safety of all members, we will not be allowing medical or religious exceptions at this time.

Fully vaccinated Spectrum participants are not required to get tested after exposure to a COVID-positive or suspected individual. However, if a Spectrum participant is exposed, or possibly exposed to a COVID positive individual, they are asked to isolate from the choir for 72 hours from the end of the exposure time. This means no in-person choir activities for that period of time.

Upon attending their first Spectrum event, participants will bring a paper or digital copy of their vaccine card and a physical copy of their ID. The names must match, and the writing legible. Before entering the event area, they will register their vaccine status at the designated station.

Masking and social distancing will be decided at the first rehearsal based on chorus members' preferences.

At this time, no additional family or friends may attend or be nearby any Spectrum rehearsal or spirit events without approval from the board chair or VP at least 48 hours in advance. They, too, must show proof of vaccinations.

Please be aware that this is occasionally a rapidly developing situation. The executive committee will send out last-minute adjustments and notifications as quickly as possible.

Please direct questions to info@spokanespectrumsingers.com.

We thank you kindly for your understanding, patience, and support as we work towards singing together!
